

TOGETHER LET'S SUPPORT

AGRICULTURE

LARGEST PROCESSOR OF POTATOES

McCain is the largest purchaser of potatoes for processing in Australia and we pride ourselves on our strong relationship with Australian Agriculture.

GENERATION TO GENERATION

Proudly forging relationships with growers lasting over generations, some well over 30 years, we are committed to supporting farmers and growers in Australia today and into the future.

SOLUTIONS

We're For Local

120 GROWERS

Celebrating the quality ingredients produced locally, we work with over 120 growers across Australia to bring fresh and superior quality produce to food operators.

On mainland Australia, we work with approximately **40 growers spread across VIC, NSW and SA.**

We work with over **80 growers in Tasmania, from Smithton to the north east and down to the central areas.**

MCCAIN IS COMMITTED TO
GIVING BACK
TO OUR COMMUNITIES
AND BUILDING A GREAT FUTURE
TOGETHER BECAUSE WE'RE
PASSIONATE ABOUT LOCAL.

Over the years, we've contributed to causes that **help our people and our communities thrive and flourish**. We have and we will continue to do our part into the future.

TOGETHER LET'S SUPPORT OUR
Communities

**150,000
MEALS**

During the recent challenges that our communities have faced with the COVID-19 outbreak, we've partnered with local charities and **donated over 150,000 meals across Australia to help people in need.**

SecondBite
Ending Waste. Ending Hunger.

EMPOW+R

**OVER
\$15,000 RAISED**

The employees at McCain have embraced **'Be good, do good'** as a part of our culture and have come together time and again to contribute and give back to our communities. **Over the last 2 years, we have collectively raised over \$15,000 in donations to help our local charities and institutions.**

We're For Local

OPERATIONS ACROSS AUSTRALIA

McCain purchased its first factory in 1971 and has been **celebrating local produce ever since.**

Today, we have a strong network of three factories in Australia across **Lisarow, Ballarat and Smithton.**

OUR LOCAL WORKFORCE OVER 1,150 PEOPLE

We are all about celebrating local people and work with **a talented workforce of over 1,150 people in Australia.**

Our plants employ over 900 locals and over 250 people work at our offices across the country.

OVER \$125 MILLION INVESTED IN PLANTS

McCain is all about **supporting local business and continually invests in its plants** for upgrades and infrastructure improvements.

Over \$125 Million has been invested across our plants in Australia over the last 5 years.

LISAROW

Bakery Processing

MELBOURNE

McCain Head Office

BALLARAT

Potato, Meals and Pizza Processing

SMITHTON

Potato Processing

At McCain, we are committed to our strategy to **be good, do good** as we **work towards** reducing our environmental footprint and driving new models of sustainable farming.

TOGETHER LET'S WORK TOWARDS

SUSTAINABILITY

FOODSERVICE
SOLUTIONS

We're For Local

As a responsible business, **we aim to grow while reducing environmental impact over the coming years.**

SOLAR INSTALLATION IN BALLARAT

We will **complete the Solar installation in Ballarat** in 2020 with the aim of **renewable electricity in all our plants by 2030.**

NEW WATER-STRESSED TOLERANT VARIETIES

We have a global goal of achieving **20% deployment of new water-stressed tolerant varieties** on total McCain potatoes by 2025.

REDUCING CO₂ EMISSIONS

We are working towards **50% reduction in CO₂ emissions** by 2030, **ceasing use of coal** by 2025.

ZERO WASTE

We are striving towards **zero waste** which means **100% potato utilisation** in all our plants by 2025.

SUSTAINABLE PACKAGING

We are committed to reaching **100% reusable, recyclable or compostable packaging** by 2025.
